

Fight for \$15 Rally!

Tomorrow at 4:00pm

Where: City Hall (between Colfax Ave and 14th Ave)!

NOVEMBER 10TH - #FIGHTFOR15

RSVP: bit.ly/nov10rsvp

Tomorrow join underpaid working people throughout the country in the rain, sleet, or snow as we stand together for work that pays enough for us to sustain our families.

We'll call on corporate CEOs to raise pay and respect our right to form unions without retaliation.

And we'll call on our elected representatives to stop letting the wealthy and

powerful write the rules in their favor.

Together, we can work to end racism and oppression, create a path to citizenship for immigrants, and fight for wages that strengthen our communities.
